

Section 3 – External Auditor's Report and Certificate 2025/26

In respect of

Sheerness Town Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026 and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2025/26

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Council has not fully implemented recommendations made in 2024/25 external audit reports. The Council incorrectly answered "Yes" to assertion 7 in the 2025/26 Annual Governance Statement, claiming it has taken appropriate action in respect of audit reports. However, we have reported an issue in the current year relating to the explanation of variance by the Council, as was the case last year.

In future, the Council should ensure that appropriate action in response to audit recommendations is taken within a reasonable time.

Other matters not affecting our opinion which we draw to the attention of the authority:

The variance analysis provided by the Council did not cover the Box 9 fixed assets variance, where we require a full explanation of the variance between years.

In future, the Council should ensure it provides full explanations for all fixed assets variances and uses the most recent template provided in our guidance documents when preparing information for submission to external audit.

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026

*We do not certify completion because:
